

Objectives of the IIS Annual Seminar:

Aimed at senior representatives, thought-leaders and decision-makers from the International Insurance and Reinsurance arenas, the IIS annual meeting aims to provide perspective, discussion, and illustrate business potential and opportunities, as well as provide an unparalleled occasion for networking with the senior leaders of the global financial and insurance industries.

Who should attend:

- Chairmen, CEOs and Managing Directors of Life, P&C and Reinsurance Companies
- CFOs, CROs and Risk Managers
- Insurance Executives from national, regional and international organizations
- Academics and institutional leaders
- Members of the Board of Management and Directors of Insurance, Reinsurance and Bancassurance Companies
- Regulators and Government Policy Leaders
- Bancassurance and Financial Services executives

Past Attendees Include Senior Representation from:
