High School to College Committee

Committee Charge:

High School to College Committee (HSCC)

Charge:

- Identify ways in which developmentally appropriate information literacy goals can be effectively addressed throughout students' educational experience
- Develop and implement a framework in which instructors and students can continuously build upon vital information literacy skills regardless of their educational setting
- Foster communication among stakeholders in the instruction of information literacy
- Organize workshops in which information literacy skills and practices can be addressed
- Disseminate information about the information literacy continuum, including guidelines and best practices
- Create a framework for inter-campus visits among students, teachers and information specialists
