AcademicSHARE Onsite Representative: By signing this Program Activation Form I agree that I and relevant staff members understand that participating in the AcademicSHARE program is voluntary. We also understand that to participate we agree to be responsible for any materials not returned by our patrons that were borrowed under the same policy at other AcademicSHARE participating libraries. We also agree to continue to provide access and/or lend to InfoPass patrons whose home library is not participating in the AcademicSHARE (i.e. high school students, researchers, other academic patrons). We also have read the Library Access Project Handbook for Participating WNYLRC Members for specifics on the traditional InfoPass program and we will abide by the minimal requirements that are listed. Our institution/library also agrees to assume responsibility for the use of any *InfoPass* Card issued by our librarians if we continue to do so, or program representative(s) including the return of any materials borrowed. We are prepared to pay for lost books, overdue fines, or other charges incurred by our patrons who borrow materials from other participating libraries.
